As the Director of the project Mr. Kaaya was jogging his mind on how to get more funds, as each year things are getting tougher and tougher (expenses increase) on running the project. Finally he came up with the idea of constructing a campsite which is now ready. You are welcomed to be among the first lucky people to spend your time at our camp site. Keeping in mind that you will be donating to the project because 15% of campsite profits will go directly to Peace Matunda school and orphanage. We are kindly requesting everyone to help us spread the word for our new fund generating activity. (Peacematunda campsite)
