

CANASSIST AFRICAN RELIEF TRUST

WATER, HYGIENE AND EDUCATION ARE BASIC NEEDS!

DURING THE PAST THREE MONTHS WE HAVE BEEN BUSY PROVIDING A HAND UP TO HARD WORKING COMMUNITIES IN KENYA AND UGANDA.

FOR MORE INFORMATION ABOUT THESE AND OTHER PROJECTS, CHECK OUT OUR WEB PAGE OR JOIN OUR FACEBOOK GROUP PAGE - CANASSIST AFRICAN RELIEF TRUST.

CANASSIST APPRECIATES YOUR ONGOING SUPPORT.

CanAssist continues to work hard to provide funding for important, life changing infrastructure projects in East Africa.

In the past three months we have completed a variety of projects. These include installing computer equipment at a business institute in the Mukono region of Uganda. This

equipment will allow youth and young adults opportunities to learn marketable skills.

We have also provided support to the Global Hope Rescue & Rehabilitation Centre. From a new water tank, solar lights, and the construction of livestock pens the lives of the orphan boys who use

this facility have been greatly improved.

Finally, we have repaired three borehole wells, built a kitchen, a new pit latrine and a girls' bathing facility. These many and varied projects are improving lives and they happen because of your support. Together we are stronger!

BATHING FACILITY....

THIS BUILDING NOW ALLOWS THE FEMALE STUDENTS AT THE KASWANGA GIRLS' SCHOOL TO ATTEND TO THEIR BASIC HYGIENE NEEDS IN A SECURE WAY. PREVIOUSLY THE GIRLS WERE BATHING IN AN OPEN AREA OR AT A NEARBY LAKE .

HOPE FOR YOUTH SCHOOL....

CANASSIST IS FUNDING THE CONSTRUCTION OF A PERMANENT SCHOOL STRUCTURE IN THE MUKONO DISTRICT OF UGANDA. THIS BRICK BUILDING WILL BRING MUCH NEEDED RELIEF DURING THE RAINY SEASON.

BOREHOLE WELL REPAIRS....

THIS BOREHOLE WELL IS ONE OF THREE WELLS RECENTLY REPAIRED IN THE MUKONO DISTRICT OF UGANDA. CLEAN WATER WILL NOW BENEFIT THESE CHILDREN AS WELL AS THREE ENTIRE COMMUNITIES.
